## ABOUT ME

---

Ambitious CS graduate with a passion for building scalable, user-centric software, with hands-on experience in Java and collaborative development through team projects. I bring curiosity, consistency, and a hunger to grow alongside cutting-edge teams solving real problems.

## EDUCATION

---

**Bachelor of Engineering in Computer Science** December 2022 - June 2026

Dr Sri Sri Sri Shivakumar Mahaswamy College of Engineering, Nelamangala  
Visvesvaraya Technological University, **CGPA: 8.38/10.00**

**HSC, Class XII** June 2020 - April 2022

Toppers Pre University College, Holenarasipur, Hassan, Karnataka - **82.33%**

**SSC, Class X** April 2019 - April 2020

Green Wood English School, Holenarasipur, Hassan, Karnataka - **80.96%**

## SKILLS AND INTERESTS

---

**Interests:** Competitive programming, Open source contributions, Tech blogs, Cricket, Travelling,  
Passionate about problem solving and continuously learning new technologies.

**Dev Tools:** Familiar with **VS Code** for development and debugging. Some experience with **Git** and  
**GitHub** for version control and deploying projects to repositories.

**Skills:** Proficient in **Java**, **JavaScript**, **HTML**, and **CSS** for full-stack development, with hands-  
on experience in **Node.js**, **Express.js**, and **MySQL** for backend and database management.

## PROJECTS

---

**EduTrack – Student Academic Record Management System - [Link](#)** January 2025 - April 2025  
*Major Project as a part of curriculum*

- Engineered a full-stack web application to **streamline** and **automate** student academic record management
- Architected robust backend services using **Node.js**, enabling efficient data processing and system performance
- Designed a structured and scalable **MySQL database** for secure and optimized data storage
- Developed a clean, responsive, and user-friendly interface using **HTML** and **CSS**
- Implemented complete **CRUD** operations (Create, Read, Update, Delete) for seamless record handling
- Managed dependencies and project configuration efficiently using **package.json**
- Enhanced **data accuracy** and **usability** through structured validation and organized workflows

## INTERNSHIP/TRAININGS

---

**Java Full Stack Development Intern** Feb 2026 - June 2026

Tap Edtech Pvt Ltd

Currently completing a Java Full Stack Development internship, gaining hands-on knowledge in web develop-  
ment, database management, and problem-solving.
